

Help a child at no cost to you!
Designate how your tax dollars are spent.

The Arizona Working Poor Charitable Tax Credit helps low-income children.

One way to make a difference in the lives of children is through the Arizona Charitable Tax Credit. A donation of any amount up to \$200 per individual or \$400 per couple will qualify you for a State income tax credit. This is not a deduction but rather a tax credit against taxes you may have already paid.

- The tax credit is open to anyone who files itemized Arizona taxes.
- There is no longer a baseline year requirement.
- Arizona allows its taxpayers to designate how their tax dollars are spent. There are three tax credits and taxpayers may utilize all of them - Working Poor, Private School, and Public School.
